### Tips:

- Rinse all food & beverage containers and remove all lids. Empty, clean containers only.
- Do not place recyclables in bags. Items must be loose in the bin.
- Flatten or cut cardboard boxes to fit into the bin.

Recycling correctly is critical for the success of this recycling program. Following the details below will prevent your recyclables from ending up in the landfill and maximize the amount of the materials we're able to recycle. Thank you for recycling!
